RICK SCOTT
GOVERNOR

Mr. Timothy Jones
Student
University of West Florida

Dear Mr. Jones:

On behalf of all Floridians, I want to thank you for answering the call to serve our country. Your service in the United States Navy is greatly appreciated. The work you are doing for tireless efforts to support your fellow veterans and end veteran homelessness is providing an opportunity for other Floridians to commend our veterans and their families for their service.

Our goal is to make Florida the global destination for families to find jobs and great opportunities. None of this would be possible without the dedicated service of our veterans. For that reason, we remain focused on our goal to cut taxes, eliminate burdensome regulations, and invest in education so that job creators can succeed in our state.

As Floridians support our veterans, our state demonstrates its commitment to being our country's most military-friendly state. As Governor and a Navy veteran myself, I am committed to making sure Florida maintains that position. In addition to supporting the more than 1.5 million veterans in our state, we also are committed to supporting our active military and their families.

Thank you for your service to our country and our state.

Sincerely,

Rick Scott
Governor
