

# Looking for support? Find help that understands.

**STAR BEHAVIORAL HEALTH PROVIDERS (SBHP)** offers a searchable registry for making referrals to mental health professionals trained to better understand the experiences of service members, veterans and their families.

## What is the registry?

A confidential, free website ([www.starproviders.org](http://www.starproviders.org)) to find mental health providers trained in military culture and common therapies preferred by service members, veterans and their families.

## Who can use the registry?

- » National Guard members
- » Reservists
- » Active duty service members
- » Veterans
- » Military families
- » Professionals seeking services for clients

## How do I use the registry?

1. Visit [www.starproviders.org](http://www.starproviders.org)
2. Click on “Find a Provider”
3. Follow the prompts to enter your location and other information, then a list of providers with those qualifications will be shown.

## Want to make a referral for someone needing services?
